

# Empitex Fabrics Pvt Ltd.

## **Introduction:**

Established in 1982, Empitex Fabrics Pvt Ltd. began its journey as a small trading and manufacturing company based in Mumbai. Over the years, it has grown into a reputable entity known for its dedication to quality, innovation, and customer satisfaction in the textile industry.

Serving the domestic market, Empitex has become a leading supplier of shirting and embroidered fabrics to major garment brands and retail outlets across India. The company exports textiles and garments to various international markets, including the UAE, Saudi Arabia, Sri Lanka, Bangladesh, Malaysia, Thailand, Indonesia, Vietnam, and South America.

## **Product Range:**

Empitex Fabrics Pvt Ltd. offers a diverse range of fabrics suitable for various occasions and styles, including:

- Solids
- Prints
- Dobbies
- Jacquards
- Yard dyed blends of 100% cotton
- Indigo's
- Polyesters
- Poly-cotton
- Poly-viscose
- Linen blends
- Lyocell Tencel, etc.

These fabrics cater to formal, semi-formal, casual, and ethnic wear requirements.

## **Manufacturing Facilities:**

The company operates modern weaving facilities located at Tarapur, Maharashtra; Umbergaon, Gujarat; and Bhiwandi, Maharashtra. Equipped with state-of-the-art machinery such as Toyota Airjet looms, Picanol Airjet looms, and Staubli Jacquard machines, Empitex has a robust in-house weaving capacity of approximately 1.5 million meters per month.

## **Embroidery Setup:**

In Umbergaon, the company boasts an advanced embroidery setup featuring Swiss Lasser and Saurer Schiffli machines and Japanese 30 and 50 head Tajima Multihead embroidery machines. This setup enables Empitex to produce around 400,000 meters of embroidered fabric monthly.

## **Sampling Services:**

At Empitex Fabrics Pvt Ltd., we take pride in our comprehensive sampling services tailored to meet the diverse needs of our clients. Our development team, equipped with the latest CAD software, ensures professional and innovative solutions for every project. We

continuously create new textures and designs, aligning with our clients' requirements and future forecasts.

Our sampling services encompass a wide range of offerings, including:

- **Bitlooms and Yardages:** We provide an extensive selection of fabric samples for evaluation, allowing clients to assess quality, texture, and suitability for their specific applications.
- **Custom Embroidery Samples:** Utilizing our in-house facilities, we offer personalized embroidery samples that showcase intricate designs and craftsmanship tailored to our clients' unique specifications.

Our sampling services empower clients to explore new possibilities, experiment with diverse options, and bring their creative visions to life with confidence and precision.

### **Quality Assurance and Sustainability:**

Empitex Fabrics Pvt Ltd. prioritizes quality and sustainability. It adheres to stringent standards and holds certifications for Global Recycled Standard (GRS), Oeko-Tex, and Better Cotton Initiative (BCI). Recognizing its responsibility towards the environment and society, the company endeavours to produce sustainable fabrics while maintaining its commitment to excellence.

### **Green Initiative:**

As part of its commitment to sustainability, Empitex Fabrics Pvt Ltd. has implemented a green initiative. The group of industries includes windmills, located in Gujarat and in Tamil Nadu. Additionally, the Empilon plant operates on solar power, further reducing its carbon footprint and contributing to cleaner energy practices.

### **Management:**

The company's management comprises highly qualified directors and professionals who bring a wealth of experience and expertise to the table, driving Empitex's success and growth trajectory.

Empitex Fabrics Pvt Ltd. stands as a testament to innovation, quality, and sustainability in the textile industry, continually striving to exceed customer expectations and contribute positively to the global market.
